

April 2018

Dear Valued Customer,

It is our goal to ensure that you receive timely updates about FUJIFILM SonoSite products.

Following a full analysis of customer requirements, we take this time to announce the end of sale of the SonoSite SII STC (single transducer connect) variation of the SonoSite SII ultrasound system. The SII DTC (dual transducer connect) will continue to be available.

Service support for this system and associated transducers will be provided as follows:

Ultrasound System	April 30, 2025
Accessories	N/A – All SII accessories are still available
Transducers	N/A – All SII transducers are still available

If you have any service questions during this time, please contact your local Technical Support, or Fujifilm SonoSite Head Quarters at 877-657-8118 or ffss-service@fujifilm.com.

SonoSite's product family has expanded significantly over the years to include a wide range of powerful point-of-care ultrasound solutions enhancing quality of care, patient safety, cost reduction, efficiency, and patient satisfaction. SonoSite has a solution to fit every ultrasound need in any point-of-care clinical environment.

To find out more about FUJIFILM SonoSite products and/or End of Life information, please contact your local FUJIFILM SonoSite Representative or visit us at www.sonosite.com. If you have service questions, please contact Technical Support at ffss-service@fujifilm.com or 877-657-8118.

We sincerely thank you for your continued support and look forward to serving you in the years to come.

Sincerely,

FUJIFILM SonoSite, Inc.
