End of Sale Notice – Sonosite iViz

Dear Valued Customer,

It is our goal, and responsibility, to ensure that you receive timely updates about Fujifilm Sonosite products.

Developed for physicians on-the-go, Sonosite iViz is a built-from-the-ground-up, lightweight, miniaturized ultrasound system that can be taken anywhere. After 5 years in the hospital, office and field environments, we wish to inform our customers of the retirement of the Sonosite iViz ultrasound system, transducers and accessories.

Orders for Sonosite iViz, and associated transducers, accessories and service agreements will be accepted until the dates listed below, while inventory remains:

New Systems	February 28, 2021
New Transducers	August 31, 2022
New Accessories	August 31, 2022
SonoProtect Service Agreements - Systems	February 28, 2021
SonoProtect Service Agreements - Transducers	February 28, 2021

Service support for this system and associated transducers will continue to be provided until the dates listed below:

Sonosite iViz Systems	August 31, 2027
Sonosite iViz Transducers	August 31, 2027
Sonosite iViz Accessories	August 31, 2024

Due to the limited supply of spare parts available now that we are retiring the Sonosite iViz, the purchase of spare parts, including batteries and power supplies is limited to individual service events, and stocking orders for parts can no longer be accepted.

If you have any questions regarding these limitations, or about service support for Sonosite iViz, please contact your local Technical Support Team at 877-657-8118 or ffss-service@fujifilm.com.

Sonosite's product family has expanded significantly over the years to include a wide range of powerful point-of-care ultrasound solutions enhancing quality of care, patient safety, cost reduction, efficiency, and patient satisfaction. Sonosite has a solution to fit every ultrasound need in any point-of-care clinical environment. To find out more about Sonosite products and/or product retirement information, please contact your local FUJIFILM Sonosite Representative or visit us at www.sonosite.com.

We sincerely thank you for your continued support and look forward to serving you in the years to come.

Sincerely,

Richard Mander
Director of Product Management
