February 2021

End of Sale Notice – Sonosite C8x Transducer

Dear Valued Customer,

It is our goal, and responsibility, to ensure that you receive timely updates about Sonosite products. After more than 13 years of availability, we wish to inform our customers of the retirement of the C8x Transducer, compatible with our Sonosite Edge II, Sonosite SII and Sonosite M-Turbo products. After a review of our existing product offering we have made the determination to discontinue this transducer in order to more efficiently manage our product portfolio and continuously work to develop advanced point-of-care solutions.

Orders for the C8x Transducer will be accepted until the date listed below, while inventory remains:

Sonosite C8x Transducer	July 31, 2021
-------------------------	---------------

Service support will continue to be provided until the date listed below:

Sonosite C8x Transducer	January 31, 2023
-------------------------	------------------

If you have any questions regarding service support for the C8x Transducer, please contact your local Technical Support Team at 877-657-8118 or ffss-service@fujifilm.com. To find out more about Sonosite products and/or product retirement information, please contact your local FUJIFILM Sonosite Representative or visit us at www.sonosite.com.

We thank you for your continued support and look forward to serving you in the years to come.

Sincerely,

Richard Mander
Director of Product Management
FUJIFILM Sonosite, Inc.
