## **End of Life Notice – PDAS, Sitelink, SWS**

Dear Valued Customer,

It is our goal, and responsibility, to ensure that you receive timely updates about Fujifilm Sonosite products. We wish to inform you of the retirement of three software solutions: SiteLink Image Manager, Sonosite Patient Data Archival Software (PDAS), and Sonosite Workflow Solutions (SWS).

Purchase orders for these software solutions will be accepted subject to availability until July 31, 2023.

Service support will be provided until January 31, 2024. Extended service contracts are not available. To ensure supply of replacements until the end of service support date, stocking orders are no longer accepted. If you have questions regarding these limitations, or about service support, please contact your local Technical Support Team at +1-877-657-8118 or [ffss-service@fujifilm.com](mailto:ffss-service@fujifilm.com).

Sonosite's product family has expanded significantly over the years to include a wide range of powerful point-of-care ultrasound solutions enhancing quality of care, patient safety, cost reduction, efficiency, and patient satisfaction. Sonosite has a solution to fit every ultrasound need in any point-of-care clinical environment. To find out more about Sonosite products and/or product retirement information, please contact your local Fujifilm Sonosite Representative or visit us at [www.sonosite.com](http://www.sonosite.com).

We sincerely thank you for your continued support and look forward to serving you in the years to come.

Sincerely,

Richard Mander PhD  
Senior Director of Product Management  
FUJIFILM Sonosite, Inc.
