To ensure supply of spare parts until the above end of service support dates, the purchase of spare parts is limited to individual service events. Stocking orders for spare parts, including batteries and power supplies, can no longer be accepted.

If you have any questions regarding these limitations, or about service support for Sonosite SII, please contact your local Technical Support Team.

Sonosite's product family has expanded significantly over the years to include a wide range of powerful point-of-care ultrasound solutions enhancing quality of care, patient safety, cost reduction, efficiency, and patient satisfaction. Sonosite has a solution to fit every ultrasound need in any point-of-care clinical environment. To find out more about Sonosite products and/or product retirement information, please contact your local Fujifilm Sonosite Representative or visit us at www.sonosite.com.

We sincerely thank you for your continued support and look forward to serving you in the years to come.

Sincerely,

Jes Smith
