Systems	December 31, 2031
Transducers	December 31, 2031
Accessories	December 31, 2028

In May 2022 we communicated the retirement of Sonosite Edge II ultrasound system veterinary configurations. Service support of these systems and the P21x Veterinary transducer will be provided until December 30, 2031.

To ensure supply of spare parts until the above end of service support dates, the purchase of spare parts is limited to individual service events. Stocking orders for spare parts, including batteries and power supplies, can no longer be accepted.

If you have any questions regarding these limitations, or about service support for Sonosite Edge II, please contact your local Technical Support Team at 877-657-8118 or ffss-service@fujifilm.com.

Sonosite's product family has expanded significantly over the years to include a wide range of powerful point-of-care ultrasound solutions. Sonosite has a solution to fit every ultrasound need in any point-of-care clinical environment. To find out more about Sonosite products and/or product retirement information, please contact your local Fujifilm Sonosite Representative or visit us at www.sonosite.com.

We sincerely thank you for your continued support and look forward to serving you in the years to come.

Sincerely,

Marnie Hamp
