End of Life Notice – Sonosite Edge II

Dear Valued Customers in Belgium, Germany, Spain and the UK

It is our goal, and responsibility, to ensure that you receive timely updates about Fujifilm Sonosite products.

In January 2025 we announced the retirement of Sonosite Edge II ultrasound systems and unique associated accessories and transducers. Due to increased demand, sales of Edge II Stands are ending effective immediately. End of Sale dates for of all other unique accessories and transducers are unchanged. There are no changes to any End of Support dates.

Items included in this End of Life Notice are:

Systems:

Sonosite Edge II ultrasound system
Sonosite Edge II-WH ultrasound system
Sonosite Edge II-MSK ultrasound system

Accessories:

Edge II Stand
Edge II Mini Dock
Sonosite Field Case
Sonosite System Carry Case

Transducers:

P21x Transducer

Orders for the above items, and service agreements, will be accepted until the dates listed below:

New Systems	June 30, 2025
New Transducers	December 31, 2026
Remanufactured Transducers	December 31, 2026
New Edge II Stands	December 4, 2025
All other new accessories	December 31, 2026
SonoProtect Service Agreements - Systems	December 31, 2030
SonoProtect Service Agreements - Transducers	December 31, 2030

Service support for the systems, transducers, and accessories listed above will continue to be provided until the dates listed below:

Systems	December 31, 2031
Transducers	December 31, 2031
Accessories	December 31, 2028

In May 2022 we communicated the retirement of Sonosite Edge II ultrasound system veterinary configurations. Service support of these systems and the P21x Veterinary transducer will be provided until December 30, 2031.

To ensure supply of spare parts until the above end of service support dates, the purchase of spare parts is limited to individual service events. Stocking orders for spare parts, including batteries and power supplies, can no longer be accepted.

If you have any questions regarding these limitations, or about service support for Sonosite Edge II, please contact your local Technical Support Team at 877-657-8118 or ffss-service@fujifilm.com.

Sonosite's product family has expanded significantly over the years to include a wide range of powerful point-of-care ultrasound solutions. Sonosite has a solution to fit every ultrasound need in any point-of-care clinical environment. To find out more about Sonosite products and/or product retirement information, please contact your local Fujifilm Sonosite Representative or visit us at www.sonosite.com.

We sincerely thank you for your continued support and look forward to serving you in the years to come.

Sincerely,

Jes Smith
Lead Senior Product Manager
