SonoSite portable ultrasound systems are built tough for harsh working conditions. Our systems and proprietary transducers withstand rigorous testing including a 3-foot drop and resist fluid contamination. In the unlikely event your system needs repair, we have an overnight loaner program to minimize costly downtime.*

SonoSite ultrasound systems set the standard with an industry-leading 5-year warranty. With more than 95,000 systems sold, our technology-driven warranty is based on a proven record of reliability and durability.
