

Barcode Scanner Expressions Supplement

Introduction

This supplement provides information on the custom programming feature available with JADAK barcode scanners supported for use with FUJIFILM SonoSite ultrasound systems.

For information from the manufacturer, see the barcode scanner user manual available from JADAK.

Customizing the barcode scanner

Custom programming is available in English only for the barcode scanner supported on FUJIFILM SonoSite systems. Contact your customer representative for further information.

NOTE

Before using the barcode scanner with patients, verify that your custom program is working as expected.
